

# MATH 2144: Calculus I, Section 68690

## Syllabus

**Syllabus Attachment:** Please access and read the OSU syllabus attachment on the web page: <http://academicaffairs.okstate.edu/content/resources-faculty-staff>. Follow the link under Syllabus Attachment for Fall 2018. This document contains important information, including instructions about disability accommodations. Please contact your instructor privately during the first week of the course if you need accommodations as the result of a disability. Any changes to this syllabus will be announced in class and posted on D2L.

### Grades:

There are two grading schemes. The one that results in the higher grade for each student will automatically be used:

Category	Scheme A	Scheme B
Exams 1-3	15% each	10% each
Final Exam	25%	40%
Homework: WebAssign	15%	15%
Quizzes/In-Class Work	15%	15%

### **Determination of Grades**

- $90\% \leq A \leq 100\%$
- $80\% \leq B < 90\%$
- $70\% \leq C < 80\%$
- $60\% \leq D < 70\%$
- $0\% \leq F < 60\%$

### Homework: To learn calculus you must practice!

You will have WebAssign homework frequently throughout the semester (approximately two assignments per week). The due dates will be determined by the instructor. For each problem you will have three chances to answer without any reduction in score, and then two additional chances with a reduction of 20% each time. Keep a homework notebook where you work out the WebAssign problems and/or print the assignments problems and keep them in a binder.

### Exams:

There will be three one-hour exams in the evenings, and a comprehensive Final Exam.

- Exam 1:** Tuesday, September 18<sup>th</sup> from 5:30 to 6:30 PM
- Exam 2:** Tuesday, October 16<sup>th</sup> from 5:30 to 6:30 PM
- Exam 3:** Tuesday, November 13<sup>th</sup> from 5:30 to 6:30 PM
- Final Exam:** Wednesday, December 12<sup>th</sup> from 12:00 to 1:50 PM

**All of your exams will be in ES317.** You are permitted a 3×5-inch note card and an approved calculator for each exam.

### Academic Integrity & Drops

**Academic Integrity:** Oklahoma State University is committed to the maintenance of the highest standards of integrity and ethical conduct. Please see the OSU Fall 2018 Syllabus Attachment for more information. You are encouraged to work and study together, however **all written and online work you submit must be your own**. Copying someone else's solutions or letting others copy your work is prohibited. Do not cheat. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination, or course, receiving a notation of a violation of academic integrity on your transcript (FI), or being suspended from the University.

**Drops and Parachutes:** The nonrestrictive add/drop deadline is Monday, August 27<sup>th</sup>. Within two weeks of the start of classes, Dr. Kable may be able to parachute students to College Algebra, Trigonometry or Precalculus without any grade penalty. Talk with your instructor immediately if you feel that one of these classes might be more appropriate for you.
