

Math 2153 - 62794, Calculus II, Fall 2016

Instructor: Ali Pirhadi

Email: pirhadi@okstate.edu

Class Meeting: 12:30 PM - 1:20 PM, Classroom Building 308

Office Hours:

Mondays: 1:30 PM – 2:20 PM, MLSC (the North tutoring room)

Wednesdays and Fridays: 1:30 PM – 2:20 PM, MSCS (Math building) 413

Online Classroom: <https://online.okstate.edu/d2l/home>

WebAssign: <https://www.webassign.net/login.html>

Required Materials:

1. Textbook: Calculus: Early Transcendentals, 3rd edition, by Jon Rogawski and Colin Adams.
2. Online homework system WebAssign.

WebAssign class key: **okstate 4510 1943**

Important Dates:

Monday, August 22: Deadline for dropping without a W (and full tuition refund).

Friday, August 26: Deadline for dropping with a W (and partial tuition refund). Deadline to parachute down to Calculus I

Friday, November 4: W Drop/Withdraw deadline.

Monday, November 28, to Friday, December 2: Prefinals Week (a.k.a. Dead Week).

Monday, December 5, to Friday, December 9: Finals Week

Expectations:

All students are expected to participate and be involved in class, asking and answering questions. During class, there should be no use of cellphones, laptops, or tablets. You should expect to spend, on average, 6 hours outside of class on Calculus II per week and more if you are struggling. Should you miss class, it is your responsibility to obtain lecture notes from a classmate, including announcements made in class.

Course Policies:

Attendance: While no additional credit is given for attendance, I expect you to attend every lecture. It is very rare for a student to be successful if he or she is frequently absent.

Missing Work:

I will offer reasonable accommodations in the event that you miss a major assessment activity for a valid and documented reason, assuming documentation is provided in advance unless absolutely impossible. For a quiz or exam, you need to tell me as soon as you know there is a conflict and will be ineligible for a make-up if you do not.

Grades: Our grades policy is described in the table below

WebAssign	10%
Quizzes	20%
Hour Exams (3)	15% each
Final Exam	25%

An overall score of 90% guarantees an A for the semester, 80% a B, 70% a C, and 60% a D.

I reserve the right to use discretion if you are on the borderline between two grades, considering performance on the final exam, improvement or decline during the semester, attendance, and my subjective judgment of your effort.

Coursework:

WebAssign: All homework will be done online using WebAssign's online homework system. You are encouraged to work together and it is good practice to keep a notebook as you work through WebAssign problems or print out the assignments. This will help when it comes time to study for exams.

Quizzes: There will be 5 in-class quizzes. Quiz dates are announced on the schedule attached to this Syllabus.

Exams: There will be three Hour Exams which will take place in class, and a **comprehensive** Final Exam. The dates are as follows:

Exam 1: Friday, September 16

Exam 2: Friday, October 7

Exam 3: Friday, November 18

Final Exam: Friday, December 9 from 10:00 AM to 11:50 AM

Calculators:

I will allow calculators without QWERTY keyboards, Internet connections, and symbolic manipulation capabilities for exams. (That is, I will not allow calculators that can do indefinite integrals for you.) Calculators will not be allowed for quizzes unless otherwise specified. A calculator can be a valuable tool, but not a substitute for your own conceptual understanding.

The Mathematics Learning Success Center (MLSC):

The MLSC is on the 5th floor of the Edmon Low Library and is a great resource. The MLSC has tutors who work with students from Calculus II and can help answer your questions. Hours for MLSC are:

- Monday through Thursday from 9:00 AM until 9:00 PM
- Friday from 9:00 AM until 5:00 PM
- Sunday from 1:00 PM until 5:00 PM

Tutoring for Calculus II will be in the North tutoring room beginning at noon on the days that they are open.

For more information, visit math.okstate.edu/mlsc , or call 405-744-5818 or 405-744-5688.

Academic Integrity:

Don't cheat. Do not copy off of other students, allow other students to copy your work, or present work you find in printed or electronic sources as your own. I take academic dishonesty very seriously and will deal with it as such. Carefully read the OSU policy at academicintegrity.okstate.edu. If you have further questions, please contact the Office of Academic Affairs, 101 Whitehurst, (405) 744-5627.

Special Accommodations:

If you think you have a qualified disability and need special accommodations, you should notify me as soon as possible and request verification of eligibility for accommodations from the Office of Student Disability Services. For more information, visit sds.okstate.edu, or call 405-744-7116.

Any changes to this Syllabus will be communicated to you in class and via e-mail.
