MATH 2890: Calculus II Honors Add-on, Section 69516 Syllabus

Instructor Contact Information
Instructor: Melissa Mills
Email: memills@math.okstate.edu
Office: 517 Edmon Low Library
Phone Office: 744-6969
Office Hours: TBA
Hour in the MLSC: TBA

Class & Resource Information
Class Meeting and Location: 9:30-10:20 Wednesdays, HSCI 303
Online Classroom: https://online.okstate.edu/ (Chrome, Firefox, or Safari work best)

Required Materials:
None. Just bring a calculator!

The Mathematics Learning Success Center (MLSC): The Mathematics Learning Success Center (MLSC) is located on the 5th floor of the Edmon Low Library. The hours of operation are Sunday 1pm-9pm, Monday-Thursday 9am-9pm and Friday 9am-5pm. Tutoring for Calculus I will be in the West Tutoring Room. Check the MLSC's website (https://math.okstate.edu/mlsc/) for information about special tutoring, office hours, and review sessions for your course.

Course Information
We will explore the concepts of integrals, applications of integrals, series, sequences, Taylor series, and the formal definition of limit. We'll also spend some time looking at applications of series and sequences in science and mathematics contexts.

Expectations: All students are expected to be active participants in class by asking and answering questions. During class, the use of cellphones, tablets, and laptops is prohibited since these can be distracting. Plan to spend, on average, two hours a week outside of class working on homework. Should you miss class, you are responsible for what you missed.

Missing Work Policy: If you cannot make it to class when a written assignment is due, you should turn it in early or have a classmate to turn it in for you in a sealed envelope.

Syllabus Attachment: Please access and read the OSU syllabus attachment on the web page: http://academicaffairs.okstate.edu/content/resources-faculty-staff. Follow the link under Syllabus Attachment for Fall 2017. This document contains important information, including instructions about disability accommodations. Please contact your instructor privately during the first week of the course if you need accommodations as the result of a disability. Any changes to this syllabus will be announced in class and posted on D2L.

Grades:
The only grades in this course will be weekly homework. Grades will be determined using the traditional scale:
    90% ≤ A ≤ 100%
    80% ≤ B < 90%
    70% ≤ C < 80%
    60% ≤ D < 70%
     0% ≤ F < 60%

Academic Integrity & Drops
Academic Integrity: Oklahoma State University is committed to the maintenance of the highest standards of integrity and ethical conduct. Please see the OSU Fall 2017 Syllabus Attachment for more information. You are encouraged to work and study together, however **all written and online work you submit must be your own**. Copying someone else's solutions or letting others copy your work is prohibited. Do not cheat. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination, or course, receiving a notation of a violation of academic integrity on your transcript (F!), or being suspended from the University.
