Math 2163: Calculus III - Spring 2015
Section 001 MWF 08:30-09:20 in HSCI 134

Instructor: Adam Estrup
    E-mail: adam.estrup@okstate.edu
    Office: MS 413 (Mathematical Sciences Building)
    Office Hours: Mondays 10:30-11:20 in MS 413, Wednesdays 12:30-13:30 in MS 413, Thursdays 12:30-13:30 in the MLSC, and by appointment

Course Webpage (D2L): https://oc.okstate.edu

Textbook: J. Rogawski, Calculus, Early Transcendentals, 2nd ed., W. H. Freeman and Company, 2012.

Syllabus Attachment: Read the OSU syllabus attachment on the course webpage (D2L) or at http://academicaffairs.okstate.edu/current-students/ Please contact me privately during the first week of the course if you need accommodations as a result of a disability.

MLSC: The Mathematics Learning Success Center (MLSC) provides tutoring and homework help for this course. The MLSC is on the fifth floor of the Edmond Low Library. For more information, including their operating hours, go to https://www.math.okstate.edu/mlsc

WebAssign: You will need to enroll for this class on WebAssign at https://webassign.net/ to be able to submit homework assignments. The instructions posted on the course webpage (D2L) may be helpful. You will need the following class key:

Section 001 (Estrup): okstate 8386 0707

Homework & Exams: Homework will be assigned through WebAssign. You are responsible for tracking homework deadlines as they will not usually be announced in class. There may also occasionally be written homeworks or quizzes; these will be announced in class. There will be three midterm exams, tentatively scheduled for 13 February, 27 March, and 24 April. The final exam will be 04 May, 08:00-09:50.

Grading: The homework will count for 20% of your final grade, the midterm exams for 50%, and the final exam for 30%. Earning 90% guarantees an A for the course, 80% a B, 70% a C, and 60% a D.

Attendance & Absences: You are responsible for everything discussed or announced in class. I will offer reasonable accommodation in the event that you miss a major assessment activity for a *valid* and *documented* reason. The documentation must be provided in advance (unless completely impossible) and give a verifiable reason for your absence (e.g., a doctor's note with contact information, proof of involvement in an OSU-sponsored activity, etc.) from an appropriate source. You should not assume you will be eligible for a make-up assessment unless I have explicitly approved your request.

Academic Integrity: Any violation of the university's academic integrity policy related to this course may result in an F! in the course.

Oklahoma State University is committed to the maintenance of the highest standards of integrity and ethical conduct of its members. This level of ethical behavior and integrity will be maintained in this course. Participating in a behavior that violates academic integrity (e.g., unauthorized collaboration, plagiarism, multiple submissions, cheating on examinations, fabricating information, helping another person cheat, unauthorized advance access to examinations, altering or destroying the work of others, and fraudulently altering academic records) will result in your being sanctioned. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination or course, receiving a notation of a violation of academic integrity on your transcript (F!), and being suspended from the University. You have the right to appeal the charge. Contact the Office of Academic Affairs, 101 Whitehurst, 405-744-5627, http://academicintegrity.okstate.edu
